You're welcome, please let me know if you have any issues.

Also, I included a CBL for the Tribal C-13 SWD application. Please find it within the subfolder "Tribal C-13 SWD".

Best regards,

Hi Chris,

Hope you're doing well.

Please see attached, Merit's response to your comments provided on the Preliminary Technical Review. Also, due to file size restrictions I have provided instructions below to My FTP site, where you will be able to access all of the exhibits that go along with the attached response document.

Once you gain access to the "2021 Regulatory North Division folder", there will be a subfolder within called "B3\_Tech Response" where you will find all of the exhibits.

If you have any questions, please don't hesitate to ask!

For users outside of Merit, please have them follow these steps:

1. Go to <https://transfer.meritenergy.com/login>
2. Click on the link that says "Request an Account" located at the bottom of the form.

Fill out form for new account creation making sure to put "2021 Regulatory North Division" as the justification for the account. <- This is important!

Best regards,

**Michelle Yalung**
